

# PROJECT TRAINING MECHANICAL ENGINEERING

We **JIT SERVICES** provide project assistance for **BTech** and **MTech** Mechanical engineering students for doing various projects. We have already given our support training to the students for accomplishing the following projects

- Compressors
- Pumps
- Control Valves
- Cement Silo – Design & Analysis
- Radial Drilling Machine
- Rock Cutting Machine
- Brick Sizing Plant
- Bio Degradable Processing Unit -Prototype
- Automatic Riveting Machine - Prototype
- Pulverizer
- Jigs and Fixtures
- Overhead Crane Analysis
- Hydraulic press

Students from the following colleges have already completed their Projects with our Assistance.

- Nehru College of Engineering and Research Center Pampady
- Jyothi Engineering College Cheruthuruthy
- Nehru College of Engineering Coimbatore
- Toc H Institute of Science and Technology Kochi
- CET Trivandrum
- Amritha Engineering College Kollam
- Karpagam Engineering College Coimbatore
- Nandha Engineering College Salem
- NSS Engineering College Palakkad
- Al - Ameen Engineering College Shoranur
- GCT Thrissur
